

SHAKER FAROOQ

FULL-STACK JAVASCRIPT DEVELOPER

PROFILE

A dedicated and results oriented individual with a passion for web development and a strong interest in MERN stack. Possessing excellent problem solving skills and a desire to stay current with industry trends and advancements. Keen to embark on a career as a full-stack developer, gain hands-on experience, and contribute to team success.

PROFESSIONAL EXPERIENCE

Website Developer Intern (03 Months)

Mir Web Solutions | May - July (2024)

- Completed a 3-month internship at Mir Web Solutions, developing and delivering websites for clients.
- Built user-friendly, responsive websites, collaborating with designers and project managers.
- Expanded my skill set by gaining hands-on experience with WordPress and related tools.
- Developed strong time management skills by handling multiple projects and meeting client deadlines.
- The experience enhanced my development skills and prepared me for a full-time role in the industry.

PROJECTS

Global Talk

An instant messaging application that lets people from across the world communicate in their native language. The app lets people who don't share a common language communicate fluently in their native languages (implements real-time message translation).

Features

- The app uses Google Translation API for message translation.
- The app supports over 130 languages.
- Socket.io for real-time communication.
- Screen sharing, Video and Voice calling implemented using webRTC.
- JWT Authentication.
- Includes a Chabot created using openAI API.

Technologies

HTML, CSS, Javascript, React, Socket.io, webRTC, Tailwindcss, NodeJS, ExpressJS, MongoDB.
